

# ROYAL BAKING POWDER

*Is the Housewife's  
Greatest Help.*

**WHAT** so tempting to the  
laggard appetite as a  
light, flaky, fruit short cake or  
a delicate hot biscuit?

Royal makes the perfect  
short cake, biscuit and muffin,  
and improves the flavor and  
healthfulness of all risen flour-  
foods.

It renders the biscuit, hot-  
bread and short cake more di-  
gestible and nutritious, at the  
same time making them more  
attractive and appetizing.

Royal Baking Powder is in-  
dispensable for the preparation  
all the year round of perfect  
foods.

## A Remarkable Camera for \$5.00

## PREMOETTE JR.

It's just a trifle larger than the pic-  
tures it makes, and it is so well made,  
so carefully equipped and tested, that  
it makes pictures equal in quality to  
those made by much larger and more  
expensive cameras.

The pictures are 2 1/4 x 3 1/4 inches in  
size. Also furnished for 2 1/2 x 4 1/4  
pictures for \$8.00.

We will be very glad to show you  
this desirable camera and others of  
the celebrated Premo line. We carry  
a complete stock of photographic  
supplies and our knowledge of pho-  
tography is always at your service.

## Do You Know? Or Do You Guess?

Jewelry is marketed under four different  
names, vs. Gold, Gold Front, Gold Filled  
and Gold Plate, with several different  
qualities of each. So you see you can't  
judge quality by the price. If you pay  
\$3.00 for a \$1.00 Ring, that does not  
make the ring any better, it only adds  
\$2.00 extra profit to the merchant's  
pocket. So you have to depend upon  
the qualification and honesty of the Jew-  
eler when you buy. If a Jeweler sells  
you a ring or some valuable piece of  
Jewelry and represented it as solid Gold  
and in a year, or a few years, it wears  
to the brass, he either misrepresented it  
or he did not know what he was selling.  
There are so many qualities of Gold  
front and Gold filled that it takes an ex-  
perienced Jeweler to ascertain the qual-  
ity, he has to be thoroughly acquainted  
with the making of it and know the trade  
marks before he can tell. With my  
several years experience in the Jewelry  
business puts me in a position to sell you  
without a misrepresentation. I know  
who makes my Jewelry. I know the  
quality of each and every piece, and if I  
tell you it is Solid Gold, it will be Solid  
Gold for ever. You don't buy from  
Guess but you get exactly what is repre-  
sented and you pay for exactly what you  
get, the lowest price possible.

Try me this Xmas on Rings, Brace-  
lets, Lockets, Chains, Pins, Links,  
Watches, &c. You'll never regret.  
Respectfully.

MURRAY BALL, Jewelry.
